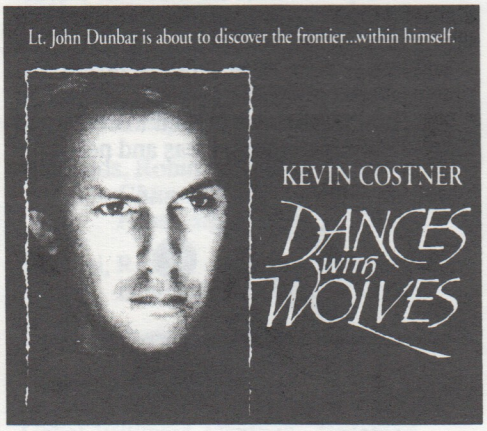
An Oscar summer at the Library

The Morton Grove Public Library is pleased to present a trio of Academy Award-nominated films this summer.

The series will begin on Monday, May 13, with ***Mr. & Mrs. Bridge*** starring Joanne Woodward and Paul Newman. Ms. Woodward received an Oscar nomination for Best Actress for her role as Mrs. Bridge.

On Monday, June 10, the Library is privileged to present the Oscar-winning Best Picture of 1990, and winner of six other Oscars, ***Dances With Wolves***. Kevin Costner, who also produced and directed, stars as Lt. John Dunbar, a Union Army soldier on a quest for the vanishing American frontier. **Tickets will be required** for this film, and will be available at the Circulation Desk beginning Thursday, June 6.



Our film series will conclude on Monday, July 15, with ***Awakenings***, starring Robin Williams and Robert DeNiro in his Oscar-nominated role as a comatose patient who suddenly awakens and experiences the living world.

No feature film will be shown in August.

Mr. & Mrs. Bridge and *Awakenings* will be shown at 2:30 and 7:30. *Dances With Wolves*, because of its length, will be shown one half-hour earlier, at 2:00 and 7:00. All films are free of charge.

Korean poetry and folktales

A special program illustrating the ancient culture of Korea will be presented on Sunday, May 5, at 3:00.

Storyteller Joonil Oh will present *Shi Jo*, a type of Korean poetry, comparable to English Shakespeare, which developed among academic Koreans during the 14th century. Kung Kak Kim, a retired professor of Korean literature, will give a short lecture on ancient Korean folktales and recite some of them for the audience.

The Korean recitations will be translated into English by Migyeong Park, Project Coordinator for the Korean-American Public Library Project, which is sponsoring this program.

Refreshments will be served following the program. We cordially invite the Korean-American community of Morton Grove and all Morton Grove residents to this fine cultural program.

The Korean-American Public Library Project is made possible by a federal Library Services and Construction Act grant awarded by the Illinois State Library to promote broader understanding of the Korean-American culture.

Children's Department presents Robin Hood

The Emanon Children's Theater will once again bring their magic to the Baxter Room stage with their new production of *Robin Hood*, presented on Saturday, June 22 at 2:00. Under the direction of Emanon founder Lisa Marie Bany, the traditional story is presented as an action-packed farce, complete with music, sword fights, and many laughs. Both children and adults are invited to attend.

Emanon Children's Theater was started in 1984 by local high school students who wanted to bring live theater to children in the community. Their past productions have included *The Ugly Duckling*, *The Plain Princess* and *Cinderella*, all of which have been performed at the Morton Grove Public Library.

Korean children's art exhibit

The Morton Grove Public Library will present an exhibit of Korean children's paintings in the Baxter Room from June 17-29. This exhibit will feature a wide variety of paintings by Chicago-area Korean children from ages three through twelve. The director of the exhibit is Haesook Song, Chairman of the Chicago Korean-American Artists Association.

This exhibit is made possible by a federal Library Services and Construction Act grant awarded by the Illinois State Library to promote broader understanding of the Korean-American culture. It may be viewed during regular library hours.

The Library will be closed on Sundays during the summer, beginning May 26, Memorial Day weekend. The Library will re-open on Sundays beginning September 8.

The Library will be closed Monday, May 27 (Memorial Day); Thursday, July 4; and Monday, September 2 (Labor Day).

In the Baxter Room....

Lunchtime Movies

The popular film series, Lunchtime Movies, will continue throughout the summer on Tuesdays at 11:30. The programs of short films will include travel to Alaska, Hawaii, Hong Kong and the Virgin Islands; documentaries on the Sioux Indians and the art of making wildlife films in Africa; and a wide variety of other topics. Patrons are invited to bring their lunch; free coffee will be served.

Book Discussions

Book Discussions conducted by Barbara Todd will be held on Friday, May 10, and Friday, June 14, at 10:00. Mrs. Todd will present the latest fiction and non-fiction arrivals in the library and welcomes anyone who is interested in hearing about new books. There will be no Book Discussions in July or August.

Travelogue

The rich heritage of Korea and the city of Seoul will be featured in a travelogue on Korea on Tuesday, May 14, at 11:30 and 7:30. There will be no travelogues during the summer months.

Retirement planning

A seminar on "Retirement and Estate Planning" will be presented by John Fuerstenberg of Dean Witter Reynolds on Wednesday, June 12 at 7:30. Mr. Fuerstenberg will discuss self-directed retirement plans, lump sum distributions, estate taxes, wills and trusts. The presentation will conclude with questions from the audience.

Resources for the blind & physically handicapped

The Library will host an informal discussion of resources and aids for the blind and physically handicapped (BPH) on Wednesday, June 6, at 2:00. Current and potential users of BPH services, as well as the general public, are invited to come and share their experiences, ideas and needs.

Korean A-V materials added to collection

Approximately sixty videocassettes in the Korean language will soon be available to all patrons of the Morton Grove Public Library. Over half of these titles will be children's videos, both fiction and educational. Other selections will deal with learning English, golf, tennis, etc., and a series on Korean cooking. These materials have been purchased by a grant, funded by the federal Library Services and Construction Act and awarded by the Illinois State Library, to encourage Korean-American library usage and to promote broader understanding of the Korean-American culture.

Other audiovisual materials acquired through this grant include CDs and audiocassettes of Korean music - popular, traditional folk, and children's favorites. Of special interest to parents of young children are sets of story books with accompanying cassettes (both in Korean). These books and tapes include Bible stories, traditional Korean folk legends and tales, and fairy tales from the European tradition, such as Robin Hood, Goldilocks, Cinderella, etc.

These materials are either already available or will be shortly; please check with the Reader's Service Desk for call numbers and availability.
